Dear Sir ,

Subject : Performance of SUVIK power products .

Elecon Engineering Company Ltd. and it's group companies have been associated with SUVIK for more than six years and have been using more than 150 nos. of Suvik make voltage stabilizers and ultra isolation transformers of capacities ranging from 30 KVA to 200 KVA in connection with various imported high tech CNC machines.

We are extremely happy with the quality and performance of the above mentioned SUVIK products used by us and are fully satisfied with the after sales service offered by them. We as a customer, very much appreciate SUVIK's efforts to bring modern state of art technology in to their products and their efforts for continuous progress & development.

We are indeed very proud to have this everlasting relationship with SUVIK and wish them all the success to become leaders in the domestic and international market for the products manufactured by them .

Thanking you , we remain ,

Yours truly ,

For Elecon Engineering Co Ltd .
