Dear Sir,

This is to inform that our various Industrial Clients; on basis of our Advise & Recommendations; have Purchased and have been using since last about TWENTY YEARS "SUVIK" Brand Stabilizers ranging from 20 KVA to 600 KVA ratings for their respective Applications.

Our Clients and this Office, put on record of their Satisfaction towards Operation and Performance of the Stabilizers.

We also appreciate the Company's Approach and Services rendered on the Stabilizers during their Pre Sales & After Sales.

We further, observed of your Company's progressive Attitude of continuous upgrading the Electrical and Electronics Engineering Technology in Manufacture of the Stabilizers during the above period.

With Kind Regards,
For Sumed Consultants,

(Mahesh Shah).
